

State-Of-The-Art

Honeywell

# L7224U Universal Electronic Aquastat

UNIVERSAL COMPATIBILITY  
IS JUST THE BEGINNING.

- **Superior Performance** — Outstanding accuracy and faster response times
- **Easy Installation** — Improved terminal layout and multiple knockouts make change-outs a snap
- **Increased Flexibility** — Vertical, Horizontal and Flush Mount options; configurable for single-function use
- **EnviraCOM™-Enabled** — Network EnviraCOM devices in the home for local or remote diagnostics and monitoring
- **Multi-Function Display** — Setpoint, temperature readings and diagnostic information are all at your fingertips
- **Universal Compatibility** — Reduce your inventory when you standardize on Honeywell Universal models that replace nearly all multifunction Aquastats in the field today
- **Sensor Technology** — For increased reliability
