

Media Replacement Filter

Trane PerfectFit™ Air Cleaners

Honeywell

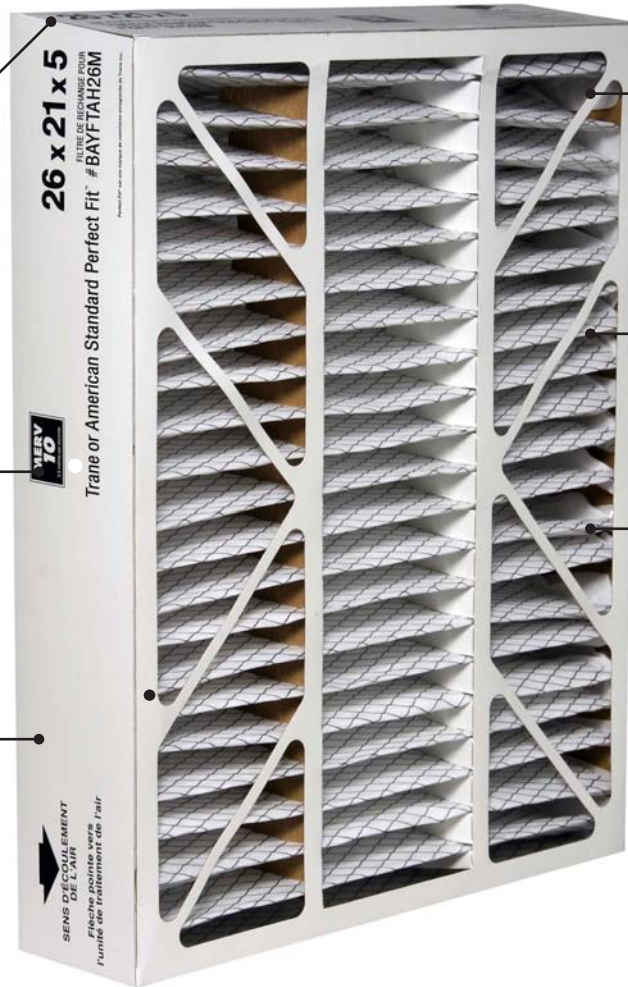

Honeywell's Media Replacement Filters fit the most common sizes of Trane PerfectFit™ Air Cleaners. They are designed for low pressure drop, which reduces strain on equipment, provides a comfortable air flow, and helps maintain equipment efficiency – all at an impressive MERV10 rating.

Media Replacement Filter Trane PerfectFit™ Air Cleaners*

Easy Installation — Angled edge fits neatly into offset side of air cleaner frame.

High-Efficiency — Low pressure drop reduces strain on equipment, provides a comfortable air flow, and helps maintain equipment efficiency.

Size Options — Available in 7 different sizes which fit the most common sizes of Trane PerfectFIT Air Cleaners.

MERV10 — Captures a significant amount of airborne particles that circulate through the filter.* (as small as 0.3 micron)

Pleated Filter — Allows for greater media capacity.

Long Life — Filter lasts for up to 1 year, which means it needs to be replaced less.

*PerfectFit™ is a trademark of Trane International Inc.
